

ALA Presidents, Officers and members,

It is an honor to have been elected your District President for 2019-2021 and want to thank you all for the support.

I am looking forward to working with all the units over the next two years and hopefully be an example for The Department of Texas.

As I have listened to the reports from our units over the years, I know we all work very hard on our programs.

I look forward to visiting every unit not only to share my ideas but learn about the things you are doing so we can spread the knowledge and ideas across our District.

We are not in competition with each other as much as we are working towards the betterment of our military family and the community. In the spirit of service and not self I know we will all help each other with our endeavors.

I hope to see you all at the next District meeting on Aug. 11<sup>th</sup>, 2:00 pm at Post 453 Bachman Lake. Hopefully you can get some of your Unit Officers to join you.

Thank you  
Lisette Johnson  
ALA 5<sup>th</sup> District President  
2019-2021

P.S. Please note my email address as I will be forwarding some correspondence from our Department President
