Lifetime Membership Dues: – Membership is open to anyone within the American Legion Family who has held the office/position of Chaplain. You can also request a N/A Non-Chaplain Supporter Membership if you intend to become a Chaplain within the American Legion Family in the future.

The TCA Board of Directors recently approved a Lifetime membership program. Membership fees are waived for all members 80 years of age and older. For those under the age of 80, Lifetime dues will be calculated by subtracting their age as of January 1 of the forthcoming membership year from 80, multiplying that figure by \$5 and reducing the total amount by 20% as an incentive for Lifetime membership (or multiply by 0.8).

For example: if one will be 55 years of age by January 1 of the year in which membership dues are due, their Lifetime dues will be: 25 (the difference between 55 and 80) multiplied by \$5 i.e. \$125, less a 20% discount (multiplied by 0.8) i.e. \$100.

Another easy way is to take 80 subtract your current age times \$4 (80% of \$5 times years till 80)

Those applying for Lifetime membership must so indicate on their application form and include their date of birth.
